

We Fight Plastic Bags in Sign Language

Product Catalog

Feb 2024

Why ተኪ Teki ?

Teki [ተኪ] is an Amharic word that comes from the verb "Metekat" which means replacing. The perfect name isn't it?

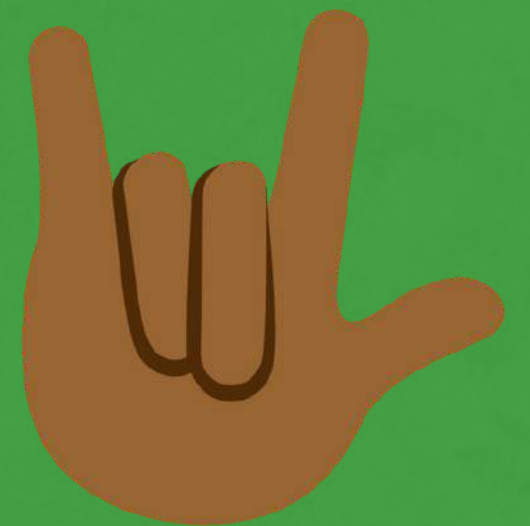

ተኪ = METEKAT

What's Up ?

Created in 2016, Teki is the first Deaf-run paper bag company worldwide. We use Ethiopian sign language to fight against plastic bag pollution... and it works !!!

Jobs for the Deaf

So far, we have created 52 jobs empowering young Deaf women. We produce eco-friendly paper bags and use Ethiopian Sign Language to build a plastic bag-free Ethiopia.

52 Jobs For Deaf Women

End Plastic Pollution

Every time we buy something, we always get one plastic bag. We need to stop and make Ethiopia plastic bags free !!

Our Story

Here in Ethiopia, no one likes plastic bags! Why don't we create jobs for us who live with disabilities to produce paper bags

Yes, many people in Ethiopia, want to support us but don't know how! By making paper bags, we can create our own jobs.

Why don't we use our Sign Language to convince others to stop using plastic bags.

HAIMANOT ABEBE
Deaf Paper Bags
Making Expert

“

Fighting plastic bag with my sign language has changed my life. Now I have a job and I feel included. This means so much for me.
